

## Professors / Researchers

| No. | Name                                | SNI level | Location       | Area                            |
|-----|-------------------------------------|-----------|----------------|---------------------------------|
| 1   | Aboites Manrique Vicente            | II        | León           | Optical Fibers and Lasers       |
| 2   | Alcala Ochoa Noé                    | II        | León           | Optical Metrology               |
| 3   | Arzate Plata Norberto               | I         | León           | Photonics                       |
| 4   | Barbosa García J. Oracio Cuahutemoc | III       | León           | Photonics                       |
| 5   | Barmenkov Iouri                     | III       | León           | Optical Fibers and Lasers       |
| 6   | Barrientos García Bernardino        | -         | León           | Optical Metrology               |
| 7   | Benítez Lara Alfredo                | C         | León           | Optical Engineering / Photonics |
| 8   | Briones Hernández Joel              | I         | León           | Photonics                       |
| 9   | Calixto Carrera Sergio Arturo       | III       | León           | Optical Engineering             |
| 10  | Carriles Jaimes Ramón               | I         | León           | Photonics                       |
| 11  | Castro Camus Enrique                | II        | León           | Photonics                       |
| 12  | Cuevas de la Rosa Francisco Javier  | I         | León           | Optical Metrology               |
| 13  | Cywiak Garbarcewicz Moises          | II        | León           | Optical Metrology               |
| 14  | Dávila Álvarez Abundio              | I         | León           | Optical Metrology               |
| 15  | de la Rosa Cruz Elder               | III       | León           | Photonics                       |
| 16  | de la Torre Ibarra Manuel Humberto  | II        | Aguascalientes | Optical Metrology               |
| 17  | Desirena Enrriquez Haggeo           | I         | León           | Photonics                       |
| 18  | Díaz Torres Luis Armando            | III       | León           | Photonics                       |
| 19  | Espinosa Luna Rafael                | II        | León           | Physical Optics                 |
| 20  | Flores Colunga Gerardo Ramón        | I         | León           | Optical Engineering             |

## Professors / Researchers
